Profile

Passionate 3rd year B. Tech student at UEM Jaipur. Eager to explore emerging technologies and innovate solutions. Actively engaged in extracurricular activities. Let's connect and discuss how we can make a difference together!

Work Experience

03/2024 — PRESENT   JAIPUR, INDIA

Technical Member build the website
GDSC UEM JAIPUR

- Implemented responsive design principles to optimize website performance across multiple platforms and devices, which increased the traffic on the website by 20%.
- Identified and resolved technical issues, such as bugs and broken links, to ensure a seamless user experience.
- Conducted regular website maintenance, including updates and backups, to uphold security measures and prevent data loss.

09/2023 — 06/2024   JAIPUR, INDIA

Member, conducted various events
ACM, Association for Computing Machinery

- Organized and executed multiple successful events, including conferences, workshops, and networking events, resulting in increased member engagement and satisfaction.
- Collaborated with team members to plan and coordinate logistics for events, including venue selection, vendor management, and budget allocation.

02/2024 — 04/2024   JAIPUR, INDIA

Organizer
AceHack 3.0

As the Organizer of Ace Hack 3.0, I managed one of the largest hackathons in Jaipur, collaborating with the UEM Jaipur ACM Student Chapter, Eduhub Community, and Rajasthan Police.

Event Highlights:
- Participation: Hosted over 600 in-person hackers from 40+ cities across India out of 3000+ registrations.
— Prize Pool: Offered over 30 lakhs INR, with additional grants and bounties from sponsors like NORDEK, Orkes, Bobble AI, Hack Quest, Jumbo Blockchain, Replit, Taskade, Quill Audits, Rise In, Devfolio, YCF, Polygon, Archway, Aptos, and Stellar.
— Unique Challenge: Organized the first 24-hour
